Dear Chair Schatz and Ranking Member Hyde-Smith:

After further review, I am writing to withdraw my support of the below Fiscal Year 2025 Congressionally Directed Spending item I previously submitted for consideration in the Senate Transportation, Housing and Urban Development, and Related Agencies appropriations bill, listed below.

**Recipient:** Lincoln Avenue Communities

**Project Purpose:** This project supports the construction of affordable housing units for low-income individuals to have the opportunity to live in an ideal area for workforce development. This project provides a chance for individuals, who would otherwise be unable, to live in quality housing amidst rising costs.

**Project Location (City/County, State):** Denver, Colorado

**Amount Requested:** \$2,000,000

Sincerely,

Michael F. Bennet  
United States Senator
